Subject: FW: USGBC Education Provider Program Course Approval

Hi Christina,

Congratulations! Your course is now officially approved for USGBC LEED AP professionals. We'll start our marketing on this end soon.

Kirwan

Subject: USGBC Education Provider Program Course Approval

Dear University of California, Irvine Extension:

Congratulations! Your course, "Sustainability Reporting: Drivers, Protocols & Quantitative Methods", has been successfully reviewed and approved by USGBC and will be added to the course catalog on www.GreenBuild365.org. In a few days, please check the course catalog to verify the course information. If there are incorrect or missing details, please email EdProvider@usgbc.org with corrections.

Now that the course is approved, it may be publicized accordingly. Please refer to the Education Provider Agreement [<http://www.usgbc.org/ShowFile.aspx?DocumentID=5467>] for details on how to correctly promote this course.

You may also post when live courses are being offered in the course catalog. Please contact EdProvider@usgbc.org for more information

Thank you for growing green building education offerings!

Regards,
USGBC Education Staff
